

SCOTTISH CYTOLOGY TRAINING SCHOOL

Pathology Department
Directorate of Laboratory Medicine
Royal Infirmary of Edinburgh
51 Little France Crescent
Edinburgh
EH16 4SA

Information for Course Participants

Taxi

Taxi – ask to be taken to the drop off point by the main hospital entrance

Bus

Buses 33, 8, 49 from North Bridge, also 38 and 24 from Cameron Toll serve the hospital stop close to the main entrance. Please check the bus-stops to make sure the bus you want stops there!

From the main door follow the corridor signed “To All Other Wards and Departments” to the information desk and seating area. Ask the receptionist to call Judith Bingham/Sue Mehew (ext.27149) or Carol Mulvenna (ext. 27135) and someone will meet you to bring you up to the department on the second floor.

Car

The hospital is situated on the A7 just inside the city boundary. There is a separate file on the Downloads page (DirectionsToNRIE.pdf) about road directions.

There are traffic lights controlling both hospital entrances. Use the South Entrance and follow the signs to **Car Park C** towards the rear of the hospital building.

Enter by the doorway easily visible from the car park, this brings you into the main corridor just behind the information desk and shop area. Ask the receptionist to call Judith Bingham/Sue Mehew (ext. 27149) or Carol Mulvenna (ext. 27135) and someone will meet you to bring you up to the department on the second floor.

Catering

Tea and coffee will be provided in the Training Room. Lunch is not provided. There are various outlets within the hospital where you can buy lunch.
